Declassification of Nuclear Nonproliferation Treaty documents for 50th Anniversary

Project Title	Declassification of Nuclear Nonproliferation Treaty documents for 50th Anniversary
Project Summary	Review and declassification of 1960s documents that describe the pre-negotiation thinking, analyses, and conversations as lead up to the signing of the Nuclear Nonproliferation Treaty.
Country	United States

Project Description

declassify 1960s documents in the lead up to negotiations of the Nonproliferation of Nuclear Weapons Treaty (NPT) for display at the 50th Anniversary of the NPT on March 5, 2020 during a United Nations celebration. This effort includes documents that describe conversations with senior foreign officials and illustrates how difficult it was to arrive at the final NPT text.
